Welcome to Educo

EDUCO organizes English language projects for Italian students and teachers on a national level.
Accredited by M.I.U.R, EDUCO plays a leading role in Italy in utilising the power of theatre and drama within a didactic framework, and we have spent the past 15 years training teachers in how to effectively and humanistically use English in their classrooms, as well as teaching English to Italian children all across the country. Our projects include hundreds of full immersion English summer camps for children, a theatre-in-education tour (TEATRINO), CLIL workshops, and international teachers' courses

TEATRINO is acclaimed within both academic and theatre disciplines for its extensive repertoire which is still the largest and the most diverse of its kind in Italy!

We are dedicated to and passionate about promoting student-centred learning through the application of theatre and drama practices.

Every year, over 100,000 Italian students take part in our programmes all across Italy.
We are proud to have hundreds of creative educators joining us annually from all over the world for our projects.

"Tell me and I forget. Teach me and I remember. Involve me and I learn"

THE EDUCO LEARNING PHILOSOPHY

Educo è un Ente accreditato dal Ministero dell'Istruzione e realizza servizi formativi e didattici rivolti a studenti e docenti di ogni ordine e grado sostenendo tutte le scuole italiane. L'approccio didattico, basato sul coinvolgimento affettivo, emotivo e razionale dello studente, attiva una flow experience, ossia uno stato mentale positivo e pienamente coinvolto che favorisce l'assimilazione della lingua inglese in modo profondo e naturale. Educo migliora il futuro delle nuove generazioni per rendere i giovani veri e propri cittadini del mondo.

L' English Storytelling è composto da laboratori didattici e trasporta i tuoi studenti in un mondo di favole e magia. I nostri narratori madrelingua inglese trasformeranno la classe in uno "**spazio dei sogni**" interattivo in cui gli studenti possono scatenare la loro immaginazione e diventare protagonisti delle favole.
Lo Storytelling incoraggia l'apprendimento tramite canzoni, narrazione e giochi.

Attività

I Workshops sono graduati e vengono concordati in base al numero dei vostri studenti e alla durata dell'orario scolastico. Si possono programmare Workshops giornalieri della durata di 60 o 90 minuti ciascuno. Ogni Workshop è effettuato da un tutor ed è riservato a un gruppo classe: si possono effettuare fino a 3 laboratori in simultanea.

Pre-teaching

Il pre-teaching fa parte del Workshop: i vocaboli usati sono mostrati tramite picture cards ed immediatamente rinforzati dagli alunni stessi, che sono i protagonisti delle scene rappresentate nelle immagini
